>>>compare discourse and theory.

>>>prepare a chart, like the one below, for theorising; the main divisions to be: social sciences, natural sciences, design sciences.

emancipating space; ross king; p225
following habermas 1973:

logic of discourse : from backing to conclusion

	theoretic-cognitive (scientific) rationality	**moral-practical (political) rationality**	**aesthetic-practical (artistic) rationality**
conclusion	assertion	prescription or evaluation	representation
controversial validity claim	truth	normative correctness	sincere, revealing expression
required from opponent	explanation	justification	raised consciousness
data	causes, motives etc.	grounds	images
warrant	uniformities, laws, tc.	norms, principles, etc.	visions
backing	observations, data, etc.	interpretations of needs, etc.	experiences
